procedures are provided with the access to the AIWT Complaints and Appeals procedure. AIWT's Refund policy and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.

b) the course ceases to be provided at any time after it starts but before it is completed; or

c) the course is not provided in full to the student because a sanction has been imposed on the registered provider under part 6 (ESOS Act).

All AIWT refunds will be less the maximum of 5% or \$500, whichever is the lesser, for administrative expenses.

Course Money Refunds Following Student Default An overseas student or intending overseas student defaults, in relation to a course provided by AIWT at any AIWT educational location, if:

a) the course starts at the location on the agreed starting day, but the student does not start the course on that day and has not previously withdrawn; or

b) the student withdraws from the course at the location either before or after the agreed starting day; or

c) AIWT refuses to provide, or continue providing, the course to the student at the location because of one or more of the following events:

i) the student failed to pay an amount he or she was liable to pay AIWT, directly or indirectly,

in order to undertake the course;

ii) the student breached a condition of his or her student visa;

iii) misbehaviour by the student.

An overseas student or intending overseas student does not default in relation to a course at a AIWT location if the student does not start that course because AIWT defaults in relation to the provision of the course at the AIWT location.

An overseas student or intending overseas student does not default for reasons of misbehaviour unless AIWT accords the student natural justice before refusing to provide, or continue providing, the course to the student at the AIWT location (natural justice is accorded to all students of AIWT through the provision of AIWT's complaints and appeals process).

Please note the following refund circumstances of student withdrawal represents a fair and equitable refund approach which may be adjusted by a provider during up take of this letter of offer.

Course Money Refund for Student Withdrawal (Student Default) An enrolled student will be eligible for a tuition fees refund if they provide a written 'Request for course withdrawal' notice to AIWT Management within 4 weeks of the day of course commencement. Tuition fee refunds will be calculated on a similar basis for subsequent study periods that are commenced by a student and in which a student withdraws.

In all student withdrawal refunds, subsequent study periods with tuition fees paid for in advance will be refunded in full.

No tuition fees for a current study period will be refunded to a student where a student fails to provide a written 'Request for course withdrawal' notice within 4 weeks of study period commencement. However subsequent study periods with tuition fees paid for in advance will be refunded in full.
