ABOUT AIWT

WELCOME FROM THE DIRECTOR

A warm welcome to AIWT!

My name is Eva Godwin and I am proud to be the Director of AIWT. We are a WA owned and managed training organisation started in 2003, with a solid history and progressive plans for the future.

My passion for the vocational education and training industry began 25 years ago, as a student. I have personally experienced the difference inspirational, supportive and encouraging trainers can make in someone's life and I want to share that passion. AIWT employs a team of highly professional, dedicated and genuine industry experienced trainers who have their students' learning at heart and will go the extra mile to support them. We have a student enrichment program to extend general IT and life skills, that will benefit students beyond their studies.

All work and no play...that is not what AIWT is about. We are proud of our student community and have a genuine interest in the welfare of our students. Throughout the year, with the support of the student council, we celebrate cultural diversity through campus events. Together, guided by our values - to be genuine, passionate and progressive - we believe our students will be prepared for tomorrow.

I look forward to meeting you soon.

Eva Godwin/ AIWT Director

AIWT COURSE DELIVERY MODES FOR DOMESTIC ENROLMENTS

AIWT is committed to providing industry relevant, quality course programs to suit a range of learners. We have developed a range of different delivery options including:

Face-to-Face: This delivery mode is predominantly delivered in a classroom over the nominated time with regular weekly classes and school holiday term breaks. Face-to-Face training has many advantages including meeting other learners allowing you to build a network and make friends. It offers regular engagement and focus as the whole class gets involved in activities and discussions. Your trainer/assessor is available in real time responsiveness which means if a question occurs, it can be answered on the spot or he/she can demonstrate things you may find difficult to understand and extend the learning beyond the text book with practical application examples in industry. This delivery mode suits all learners including school leavers and mature learners who can dedicate the time for the regular classes.

Fast-Paced: This delivery mode is ideally suited for learners who have been working in industry or have similar prior learning skills and wish to complete a qualification. Training is delivered in the classroom over a compact 1-2-week time frame depending on the course and regular monthly workshops. Learners complement their studies via our learning platform MOODLE by following a structured, self-directed learning program.

Self-Paced: This delivery mode is ideal for learners capable of managing a high amount of self-directed studies with limited face to face support from the trainer/assessor. The program is targeted at mature learners with some experience in their field of study, individuals with basic work-experience, learners who live remotely and/or learners who are time poor due to family or commitments.

Traineeships: *Please read the terms and condition for Jobs & Skills WA [APPENDIX A](#)

A Traineeship is a registered training agreement with the State and Territory Authorities (STAs). An employer may nominate a trainee, or an individual may find an employer who is willing to employ the person as a trainee. All parties (employer, trainee, the Australian Apprenticeship Support Network and the RTO) sign the traineeship contract and agree on a training plan – to find out more and who plays what role go to www.australianapprenticeships.gov.au/who-does-what . A Traineeship is an excellent way to combine training with work, enabling you to have a job while you complete your vocational training towards a nationally recognised qualification. Traineeships are available to anyone including students in year 11 and 12, school-leavers, individuals who wish to re-enter the workforce or an adult worker simply wishing to change careers. When you finish your apprenticeship or traineeship you will have a nationally recognised qualification that's held in high regard in many overseas countries as well.

Traineeship training is delivered in a combination of "on and off the job training". A designated AIWT trainer regularly visits the trainee at the workplace in combination with some training being delivered at our AIWT North Campus. Trainees have access to a range of resources including text books and MOODLE activities.

RECOGNITION OF PRIOR LEARNING (RPL) AND NATIONAL RECOGNITION

WHAT IS RECOGNITION OF PRIOR LEARNING? RPL is a process that assesses the competency/s of an individual that may have been acquired through formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package or VET accredited courses.

Recognition of Prior Learning is ideal for people who have worked in industry for a few years and may have attended in house training or PD sessions but never completed a formal qualification.

If RPL is linked to an enrolment into a course of study, it is recommended to apply for RPL prior to enrolling into a course. This will assist in adjusting the training plan to meet the requirements of the student. Please contact admissions to arrange an initial interview with the course coordinator to discuss your requirements, work experiences and formal or informal learning. After the interview you can apply for RPL by completing the form "Application for Recognition of Prior Learning".

WHAT IS NATIONAL RECOGNITION (CREDIT TRANSFER): A Credit transfer is the recognition of learning achieved through formal education and training where there is a current equivalent unit on www.training.gov.au. Under the Standards for Registered Training Organisations (RTOs) 2015, qualifications and statements of attainment issued by any RTO are to be accepted and recognised by all other RTOs. National recognition allows a student to be awarded a unit of competency/module based on successful completion of the unit which has been previously awarded. Students must apply for a Credit transfer by completing the form "Application for Credit Transfer" and attach evidence of the Statement of Attainment or the Record of Result. AIWT will contact the issuing RTO to verify and authenticate the testamur before formally granting the Credit Transfer.

ENROLMENT PROCESS

AIWT is committed to providing accurate and accessible information to prospective and current learners through our website www.aiwt.edu.au, regular information sessions or personalised one on one interviews with our training and/or admissions team prior to enrolment.

To enrol into a course at AIWT, you are required to complete an enrolment form. Our admissions team may contact you to ask further questions in addition to your completed enrolment form including:

- checking entry requirements and pre-requisite requirements
- clarifying what type of prior learning you may have completed including Credit Transfers
- ensuring that the course and delivery mode you have selected is right for you and meets your needs

The AIWT admissions team will issue a Letter of Offer which sets out the details of the course:

- Course Code and Name
- Credits Granted
- Course Start date, expected completion date and overall course duration in weeks/ month or years
- Delivery Mode
- Entry Requirements
- Pre-Requisites
- Required documents (e.g. Proof of identify)
- Compulsory work placement
- Materials the student must supply
- Fees (Tuition Fees and or Resource Fees)
- Deposit to be paid including payment due dates
- Terms and Condition of Enrolment

To formalise the enrolment, learners must sign the Acceptance Letter and pay the nominated Acceptance Deposit as stated in the Letter of Offer.

WELCOME LETTER

All new students receive a welcome email with their individual Student ID and secure login details for MOODLE. By logging into MOODLE students can see their class schedule, who their trainer/assessor will be and specific announcements relating to the individual.

If you have not received a welcome email on orientation day, please contact AIWT student services and ask for assistance.

UNIQUE STUDENT IDENTIFIER (USI)

The USI is a reference number made up of ten numbers and letters that creates a secure online record of your recognised training and qualifications gained in Australia. For detailed information or to create a USI visit www.usi.gov.au. All students studying at AIWT require a USI. If you have not supplied your USI on enrolment you are required to supply your USI at orientation. If you have trouble creating your USI contact AIWT student services and ask for support.

ORIENTATION

AIWT Orientation is an important start on your learning journey with AIWT. Depending on the mode of study orientation may be conducted online via MOODLE or at the workplace or if studying face-to-face, orientation will be at the allocated AIWT campus. The aim of orientation is that newly enrolled students are familiar with AIWT policies, processes, their trainer (name & contact details) and how to access course materials in MOODLE. After Orientation, students have a good understanding of AIWT support services, campus events and our Enrichment program. Orientation is compulsory for all students.

LANGUAGE, LITERACY AND NUMERACY (LLN)

Every nationally accredited training program identifies a minimum requirement for English language, literacy, and numeracy skills (LLN). The purpose of the LLN test is to identify an individual's LLN skill level prior to course start and if any gaps are identified to address them with additional support strategies. The support offered could be an adjustment to the training plan, additional one on one time with the trainer or additional reading and practice ensuring that learners have access to early support to successfully progress throughout the course.

STUDENT CONTACT DETAILS

Please maintain and keep your contact details updated with Student Services. Students must inform AIWT within 7 days if they have changed their residential address or contact details.

AIWT STUDENT SERVICES

Our friendly student services team is here to help you throughout your studies at AIWT. Key functions of the student services team are:

- Meet you at AIWT orientation
- Issue you an AIWT student card
- Assist with TransPerth requests

Letters, enrolment variations and other support

- Assist with holiday/leave requests due to sickness or compassionate and compelling circumstances
- Forms or applications

- Assist with enrolment variations
- Support you with a conflict, complaint or dispute

Issuing Qualifications

- Issue qualification on completion of your studies (allow up to 30 days)
- AIWT will not release the qualification if there are outstanding fees against this qualification

Student services can be contacted by phone on 08 9249 9688 or email studentservices@aiwt.edu.au

CLASS ATTENDANCE FOR FACE-TO-FACE COURSES

To ensure classes run smoothly and without interruption, class hours of attendance must be respected, and punctual arrival is compulsory. Late comers will be “locked out” and will be marked “not in attendance” for the missed sessions. The same applies for students leaving early. Students who regularly miss classes and struggle in their studies due to not attending may not achieve competency in their Unit of Competency.

“Workplace Training Programs”: Scheduled workplace visits by AIWT trainers are the same than a scheduled class. Attendance is required and non-attendance must have a genuine reason e.g being sick can be documented with a medical certificate.

TRAINING SUPPORT

Training can include classroom delivery with presentations or lectures, practical activities, workshops, group work or research. If you are enrolled into a Fast-Paced or Self-Paced program, a structured training plan with interactive MOODLE activities and regular contact with the trainer/assessor keeps you motivated and engaged. AIWT monitors all enrolled learners and their regular learning engagement, submission of assignments and assessments ensuring that learners are progressing towards the expected learning outcomes. If you are feeling overwhelmed and struggling with your studies, approach your trainer at the earliest opportunity and discuss your situation. At times this could relate to a lack of Literacy and Numeracy skills (LLN) which have not been identified, cultural adjustments, the topic of the course, personal or health issues. AIWT is here to support you through challenges you may face during your time of study – it is however imperative that you talk to your trainer or student services and ask for help.

ASSESSMENT

Assessments are an important aspect of learning. Completing an assignment, project, presentation or knowledge-based test is an opportunity to demonstrate knowledge and skills. It also measures satisfactory progress towards a Unit of Competency (UoC).

Feedback on assessments provides learners with a measurement on how the learning is progressing in relation to the learning outcomes required against each UoC within a course.

To ensure that all students have equal opportunities to demonstrate their knowledge and skills and to receive accurate and meaningful feedback on their work, AIWT has devised an Assessment Overview and Guide, which sets out what is required and expected of both students and trainers/assessors.

AIWT trainers/ assessors explain at the beginning of each term what type of assessments are to be completed and what the due date is for each assessment. All assessments have clear instructions to the candidate. It is the responsibility of the learner to read and understand the course profile and to attend all classes. Not attending classes may leave a gap in knowledge and skills. It is the responsibility of the learner to catch up on this gap.

It is an AIWT requirement that assessments are based on the performance criteria set out in the UoC. Feedback must relate directly to the criteria and trainers/assessors must provide feedback to individual candidates in a timely manner (indicated on each assessment). Assessments can be formative, as well as summative.

Part of the learning process is the management of both information and time. Developing the capacity to undertake the necessary research, to focus on the question at hand, and to complete and submit the required work on time is essential.

The completion and submission of assessments are the learner's responsibility. Always keep a copy of assessments submitted and retain marked assessments when they are returned.

AIWT emphasises the following:

- It is the learner's responsibility to submit assessments on time – check the course timetable and MOODLE for due date and time.
- Communicate in writing – and keep copies of all paperwork e.g assessment coversheets, Application for Re-assessment form, proof of posting your assessment via MOODLE and/or email, etc.
- If you cannot attend or submit your assessment due to illness or injury, ensure you get a medical certificate for evidence and inform your trainer/ assessor via email as soon as you can

ASSESSMENT DUE DATES

Assessments in each course are designed to help learners achieve a specific learning outcome, demonstrating their competence over a period of time in various settings. Therefore, it is required that all assessments are submitted on time. To obtain a satisfactory outcome for each assessment, learners must submit all items of assessment in a UoC. It is highly recommended that you retain copies of all submitted work during a course of study. If you are struggling to complete an assignment, contact your trainer to discuss this at the earliest opportunity.

ACADEMIC INTEGRITY & PLAGIARISM

Please read the Student Code of Conduct on MOODLE.

In Australia we take issues of academic integrity very seriously. Plagiarism is a serious academic misconduct. AIWT has many ways of detecting cheating or plagiarism in exams and assessments. Any kind of academic misconduct will result in serious action being taken against you. Your enrolment or student visa could be affected or cancelled altogether. If you are struggling with your studies, it's best to ask your trainer/assessor what support services we can offer to you. Students are made aware of forms of plagiarism on orientation day and at the beginning of every course and/or study period. If you are unsure or you need support, please ask your trainer/assessor. What forms does plagiarism take?

- ✓ Quoting word for word from another's work without clear acknowledgment.
- ✓ Paraphrasing the work of others by altering a few words, changing their order or closely following their structure without acknowledgement.
- ✓ Cutting and pasting directly from the Internet.
- ✓ Failing to acknowledge the sources you use to produce your work.
- ✓ Inaccurate referencing/citation of another's work.
- ✓ Unauthorised collaborating and colluding with other students.
- ✓ Using a professional agency in the production of your work.

HOW TO APPLY FOR A RE-ASSESSMENT

Please read the AIWT Assessment Guidelines on MOODLE

There are three forms of Re-Assessment: RE-Sit, RE-Submission and Assessment Extension

Students who have genuine reasons for a RE-Assessment just need to complete the RE-Assessment form.

Students who do not have a genuine reason may need to pay \$ 25.00 for each RE-Assessment.

- If you have missed an assessment, you have to apply for an Assessment Re-sit

- If you have been deemed not satisfactory you have to apply for an Assessment Re-submission (max up to two Re-submissions).
- If you need an Assessment due date extension, you have to apply for extension prior to the original due date
- Students who cannot evidence satisfactory attendance and are unable to evidence compassionate or compelling grounds **must pay \$ 25.00 for each** application.
- Students must complete the Application form and submit to their trainer/ assessor including
 - Get the form available from your trainer/ assessor or AIWT reception
 - Pay the fee *if applicable* for Assessment Re-Sit or Re-submission fee
 - Attach the relevant evidence if compassionate or compelling circumstances apply (for example, a medical certificate) must accompany the application.
- The extension will be considered to have been granted only when your trainer has signed the form and returned a signed copy to you. This signed extension authorisation/approval must be submitted with the assessment item it relates to. The original will be kept by AIWT.
- The form will contain the new revised due date and time for the submission of the assessment. This is your new deadline. You must submit your assessment by this new due date and time; otherwise you will receive a grade **Not Yet Competent**. In this case, you are not given a period of 24 hours' grace
- after the deadline you need to re-enrol and pay for this Unit of Competency again.

Extensions will normally not be granted for a period of more than one week. In exceptional circumstances, a two-week extension may be granted as the absolute maximum. Never assume that an extension has been granted. Extensions are valid only when you have either received notice in writing or a signed copy of the form.

COURSE PROGRESS

AIWT is committed to monitoring the course progress of our students. Where a student may fall behind their course work and the student cannot progress during a study period due to outstanding or not yet satisfactory assessments, the student may be deemed academically "at risk." AIWT issues early warning letters and trainers/assessors will provide the required support to assist the student to catch up on their course work.

These meetings are recorded as Student Support meetings. If a student falls behind due to continued absence in a course but is unable to evidence the absenteeism for compassionate and compelling circumstances, the student will be asked to attend an Intervention Strategy meeting with the trainer/ assessor, Course Coordinator and Student Services. A strategy will be implemented, providing the student with a step by step plan to catch up on course and assessment work. Issues that may be discussed are:

- Study Plan option to cater for individual learner needs
- General counseling
- Reduction in course load
- Additional English language or literacy support
- Knowledge and practical skills support from their trainer/assessor
- Invitation for additional classes or tutoring
- Assigning a trainer/assessor for ongoing training assistance
- Guidance and reference to the units of competency where Not Yet Competent have been recorded
- Application process for Re-assessments

PAYMENT OF FEES

Please read the Fees, Charges and Refund Policy at www.aiwt.edu.au or MOODLE

AIWT has a designated accounts department responsible for the collection of fees. Payment dates for all fees are listed in the Letter of Offer of your enrolment into AIWT. Accounts also emails invoices on a regular basis. You can expect one invoice per term unless you have paid in full for the course. Invoices are emailed approx. 2 weeks prior the payment due date which is approx. 4 weeks prior to the new term start.

Payment dates must be complied with at all times. A late fee of \$100 will be charged if fees are not paid on the due date. Students can opt to be on a payment plan to avoid falling behind, however it is the responsibility of the student to ensure that sufficient funds are available in their accounts on the nominated due dates.

Where a student continues to not meet their payment obligations, a Notice of Intention to Cancel will be issued and the student's enrolment may be cancelled by AIWT Management. Students experiencing genuine financial hardship should make an appointment with accounts prior to the fees being overdue.

COURSE DEFERMENT OR SUSPENSION

Please read the Deferment, Suspension and Cancellation Policy and Procedure available on www.aiwt.edu.au or MOODLE.

Deferment of a course is generally prior to course commencement whilst suspension of a course is during the course of study. Deferment or suspension may be granted where compassionate and compelling circumstances are experienced by the enrolled student and adequate evidence exists to support these circumstances. Contact Student Services and discuss your situation with them. All applicants must complete the deferment, suspension and cancellation form which is available from Student Services.

AIWT management and staff are committed to assessing all applications for course deferments and suspension of study in a fair and timely manner. It is however imperative that students communicate with AIWT in a situation requiring a deferment and/or suspension of study.

COURSE CANCELLATION

Cancellation by the student: If a student wishes to cancel their course with AIWT, the student must complete a cancellation form and email to studentservices@aiwt.edu.au . Please contact Student Services and discuss your request in person. Ensure you understand your financial obligations by reading the cancellation policy.

Cancellation by provider: At times and in very serious situations, AIWT management has to issue a NOITC for non-payment of fees or a NOITC for no course progression or a NOITC for a very serious misconduct. A student may face subsequent cancellation of enrolment unless the issues can be resolved by the student within the 20 working days. Students have the right to access the internal appeals process within 20 working days and lodge an internal appeal in writing.

Please read the Domestic Deferment, Suspension and Cancellation Policy and Procedure available on www.aiwt.edu.au or MOODLE.

FEES, CHARGES AND REFUNDS

Please refer to the Domestic Fees, Charges and Refund Policy at www.aiwt.edu.au or MOODLE. For a quick overview see APPENDIX D.

AIWT ensures that all student's fees are collected in accordance with the requirements of the Standards for RTOS 2015 and that refunds are processed as outlined in the Fees, Charges and Refunds policy. The policy ensures consistency, fairness and transparency for students enrolled into an AIWT course of study and explains what type of fees and charges there are and at what point in time a refund may apply. To apply for a

refund of pre-paid course fees, contact student services via email studentservices@aiwt.edu.au and ask for a "Request for Refund Form". This form must be completed and emailed back to AIWT. Accounts will be in contact with you and advise if you are entitled to a refund. Alternatively, download the "Request for Refund Form" from MOODLE, complete and email to Student Services. For current students, check the current refund policy and details in your Letter of Offer.

COMPLAINTS & APPEALS PROCEDURE

Please read the Complaints & Appeals Policy at www.aiwt.edu.au or MOODLE

Internal Process

AIWT has a complaints and appeal procedure to ensure all complaints are dealt with in a confidential, constructive and timely manner.

A student that has a concern or complaint should first approach his/her trainer/assessor or the student services team and explain the issue. If a student's complaint is not satisfactorily resolved, a student can lodge a formal written complaint. If the complaint cannot be resolved, every student has the right to appeal the decision made by AIWT, following the external appeal process.

Please obtain a copy of the complaint and appeals policy and procedure on the AIWT website or on MOODLE for more detail.

External Appeal

Students who are not satisfied with the outcome of a complaint or the result of an internal appeal that was submitted in writing to AIWT Management may submit an external appeal to the Overseas Students Ombudsman.

This free and independent service is available for international students who want to lodge an external appeal about a decision made by their training provider.

Internal complaints or appeals must have been submitted in writing to AIWT and the internal appeal must have been unsuccessful. Generally, appeals include topics such as

- course admission refusals
- fees and refunds
- course or provider transfers
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by a provider
- Incorrect advice given by an education agent.

The Ombudsman will not investigate complaints about:

- Public providers (which are already covered by the State and Territory Ombudsman)
- Domestic Australian students
- Students from overseas who are not on a student visa (e.g. students studying on a visitor, working holiday or temporary business visa).

AIWT CAMPUS EVENTS

At AIWT, we celebrate multicultural events throughout the year. With students from all over the globe, we love to celebrate the diversity of our students whilst sharing our Australian heritage. Events include days like Chinese New Year, Harmony Day, Africa Day, Cancer Relay and Melbourne Cup Day.

AIWT ENRICHMENT COURSES

AIWT offers a **free** Enrichment Program to support our students in gaining additional skills and knowledge to further employability, confidence and skills which are complementary to their enrolled course. The program is advertised well in advance and is free of charge to our students. Courses include topics such as:

- CV Writing Skills
- Interview Skills
- Computer Skills Basic – Intermediate (Word, Power Pro, Excel)
- Computer Skills for advanced users
- Social Media Skills and how to professionally profile yourself (FB, Twitter, LinkedIn, Instagram)

HOLIDAY LEAVE REQUESTS

Students enrolled at AIWT are advised that holidays must be arranged during AIWT term breaks. Consequently, AIWT reserves the right to decline any holiday and/or leave request unless a student can evidence compassionate and compelling circumstances. Short term leave is 2 weeks or less. To seek approval, talk to your trainer and contact Student Services on studentservices@aiwt.edu.au . If leave of more than 2 weeks is required, depending on the circumstances this may be considered a suspension of study. AIWT will confirm or decline any request with a letter. Going without a leave request can jeopardize your enrolment at AIWT.

EMERGENCY EVACUATION PROCEDURE

AIWT has emergency procedures throughout our campuses. Students are made aware of emergency procedures during orientation and at the start of a course. As part of the emergency management plan, all students **must sign when entering an AIWT class room**. This allows AIWT staff in case of an emergency evacuation to count how many people are in the building and ensure that all students and staff have been evacuated safely and are accounted for.

CRITICAL INCIDENT RESPONSE POLICY

A critical incident is 'a traumatic event, or the threat of such (within or outside Australia), which causes extreme stress, fear or injury'. A critical incident can include but are not limited to:

- A fatality, being near a fatality or an incident that is likely to affect a number of staff members and/or a student;
- Serious traffic accidents;
- Murder or suicide involving students/staff and their family members or close friends (or being a witness to);
- Physical or sexual assault;
- Injury or death of a colleague, carer or intimate friend;
- Fire, explosion, bomb threat;
- Chemical, radiation or bio-hazard spillage;
- Hold-up or attempted robbery;
- Threats of violence to staff/students;
- Major theft or vandalism;
- Threat of HIV infection;
- Storms/natural disasters;
- Acute illness (physical or mental); and/or
- Security incident.

In the event of a critical incident, a student must inform AIWT as soon as practically possible by contacting studentservices@aiwt.edu.au or ring the **AIWT emergency number 0452 477525**. AIWT offers free support and counselling services to all our students and the AIWT Student Services team will liaise and arrange support as soon as possible. Depending on the severity of the critical incident, AIWT may have to inform family members or next of kin of the incident. If applicable, AIWT will investigate or support the investigation of the incident as outlined in the critical incident policy and procedure.

AIWT STUDENT CODE OF CONDUCT

AIWT is committed to providing students with a safe, supportive and rewarding learning environment enabling students to achieve their full academic potential. This commitment is underpinned by an expectation that all members of the college will conduct themselves in a manner consistent with AIWT values and guiding principles.

APPENDIX C: SAFE TRAVEL TIPS ON PERTH PUBLIC TRANSPORT SERVICES

Even though Perth is generally a safe place to go around, it is good to be aware of how to travel safe on Perth public transport services.

Around Perth, Transperth has thousands of closed-circuit television cameras. They're in trains, buses, ferries, every train station and other places including car parks. Through them, staff at the central monitoring room can see what's happening across the entire network, every minute of every day.

If you need assistance or feel threatened there are several ways to get help if you need it.

- If there are Transit Officers and other Transperth staff nearby, ask them or **call 9220 9999**.
- On a bus, speak to the bus driver. On a train, push the emergency button to speak to the driver.
- At a train station, push the emergency button on an information kiosk to speak to our Central Monitoring Room.

Here are some tips:

- Never hesitate to ask Transperth for assistance.
- Always be aware of your surroundings and what is happening near you.
- Keep the volume low on your audio device.
- Plan your journey before you start to minimise the amount of time you wait at stations or stops.
- If possible, have someone meet you, or tell friends or family when you expect to be home.
- Avoid waiting or walking in dark areas.
- Avoid short cuts.
- Use only the proper access routes when you enter or exit train stations or interchanges.
- Stay close to Transperth staff if they are present.
- On train stations, stay in well-lit areas in view of security cameras.
- On train stations, stand back from the yellow line on the edge of the platform. When trains go past they create a powerful draft that can unbalance you.
- Always stay off train tracks. Walking across them is dangerous and illegal, unless it is an open pedestrian crossing and it is safe to do so.
- Be aware of the location of emergency buttons.
- On buses, sit at the front near the driver.

See Something – Say something

Transperth's system is one of the safest in the world, but you have an important role in helping us to keep it safe. If you see an unattended bag or package, witness any suspicious activity or spot something out of place, we'd like to know. Speak to any Transperth staff member or call 9220 9999.
