ABOUT AIWT

WELCOME FROM THE DIRECTOR

A warm welcome to AIWT!

My name is Eva Godwin and I am proud to be the Director of AIWT. We are a WA owned and managed training organisation with a 15-year strong, solid history and progressive plans for the future.

My passion for the vocational education and training industry began 25 years ago, as a student. I have personally experienced the difference inspirational, supportive and encouraging trainers can make in someone's life and I want to share that passion. AIWT employs a team of highly professional, dedicated and genuine industry experienced trainers who have their students' learning at heart and will go the extra mile to support them. We have a student enrichment program to extend general IT and life skills, that will benefit students beyond their studies.

All work and no play...that is not what AIWT is about. We are proud of our student community and have a genuine interest in the welfare of our students. Throughout the year, with the support of the student council, we celebrate cultural diversity through campus events. Together, guided by our values - to be genuine, passionate and progressive - we believe our students will be prepared for tomorrow.

I look forward to meeting you soon.

Eva Godwin/ AIWT Director

WELCOME FROM THE AIWT TEAM

It is with pride and pleasure that the AIWT team would like to welcome you to the Australia International Institute of Workplace Training (AIWT). We trust that your time with us will be an enjoyable learning journey, whilst meeting new friends and experiencing an insight into life in Australia. We hope that this important phase in your life will be a valuable preparation for your future career.

AIWT is committed to provide a safe and healthy learning environment. We value open, transparent conversation whilst building strong cohesive relationships with students, trainers and the general college community. AIWT fosters industry engagement through excursions and work placements and our biggest reward is seeing our students grow and succeed. During your time at AIWT, our friendly training and administration team are here to provide a vibrant and supportive learning environment.

We, as a team at AIWT are committed to strive for excellence through applying best practice principles offering quality education and high levels of customer service at all times. We continuously improve our practices and we are here to help and support you. Our aim is to build your knowledge, skills and confidence through industry relevant, interactive learning in a fun and safe environment. On completion of your course you will have achieved competency in your subjects, ready to enter the workforce.

On behalf of the CEO and all staff members, I extend you a warm welcome. I hope your studies will be rewarding and enjoyable and I wish you every success with your studies.

ABOUT THIS STUDENT HANDBOOK

The handbook provides information on a number of aspects of a student's life at AIWT. The following pages contain information and links to resources and policies, information about students' rights and obligations, course administration and enrolment course and assessment information, issuing of qualifications, campus events and graduations. Information contained in this Handbook may be altered, amended or deleted from time to time. Pages that are linked to the handbook and the information that they contain are considered part of the handbook and are also kept up to date and are changed from time to time. As students agree to be bound and abide by the policies, procedures and terms set out in this Handbook students are advised to always check the current version kept on MOODLE under AIWT policies and procedures.

OUR VISION

To be a genuine provider, delivering skilled and confident human resources to the workforce.

OUR PURPOSE

To provide satisfaction to our Students, our Staff and our Stakeholders

OUR VALUES

Genuine, Passionate and Progressive

AIWT – RTO REGISTRATION DETAILS

AIWT is a registered training organisation with the Australian Skills Quality Authority (ASQA), provider number 51174 and Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS), Provider Number 02645B. We deliver a range of nationally recognised qualifications and our scope of delivery is listed on www.training.gov.au . For overseas students on a student visa our CRICOS registered courses are listed on <http://cricos.education.gov.au/Institution/InstitutionDetails.aspx?ProviderID=2645> . For information of the ESOS Framework and how it relates to you visit <https://docs.education.gov.au/system/files/doc/other/esosstudentfactsheetv3.pdf>

You can find details on our course offerings at our website www.aiwt.edu.au or contact admissions via email to request for a copy of the current student prospectus. As a Registered Training Organisation (RTO), AIWT must operate in accordance with the 2015 Standards for Registered Training Organisations and the National Code under the Education Services for Overseas Students Act 2000 (ESOS Act).

PRIOR ENROLMENT

ESOS ACT AND YOUR RIGHTS

As a student on a student visa entering Australia, you benefit from Australian laws that ensure high standards of education, facilities and support services while you study with us. You also have the right to receive detailed information about the Education provider and the course, so you can make an informed decision with confidence and understand all the terms and conditions relating to your enrolment. AIWT outlines all this information in our e-prospectus and the Letter of Offer.

The Education Services for Overseas Students (ESOS) framework offers you financial protection in case your education institution does not deliver what it has promised you. You can find out more about the framework at <https://internationaleducation.gov.au/Regulatory-Information/Documents/esosstudentfactsheetv4%20-%20Final%20clean%20copy.pdf>

At AIWT we provide detailed information to our student's prior enrolment. If you are unsure, or have any queries, please contact our admissions team at futurestudents@aiwt.edu.au – they are here to help you.

EDUCATION AGENTS

To ensure smooth visa processing and completion of the required paperwork to apply for your visa, AIWT recommends that you use one of our trusted education agents, in particular if you are from a Level 2 or 3 country. Please contact us and ask who our agents are in your home country or check our list of education agents on the AIWT website.

Australian law requires that registered training providers only use education agents that act honestly and with integrity. Agents must give you accurate advice about the courses on offer, including entry requirements, and information about living in Australia. You should still be careful and alert when dealing with agents to ensure you enrol in a course that is suitable for you and achieve your learning goals. If you think your education agent might be behaving dishonestly or unethically, you should stop using them immediately and contact AIWT directly. If you are unsure or would like advice contact us directly by emailing futurestudents@aiwt.edu.au.

PRE-DEPARTURE

PRE-DEPARTURE CHECKLIST

Before you leave your home country – there is lots to plan and organize. Here are some tips and ideas to make it easier.

- ❑ **Apply for your visa** -As soon as you have your CoE, you must apply for your student visa. Ensure you communicate with your agent and our admissions team if there are any delays.
- ❑ **Clothing and personal items** – Check the temperatures for Perth and ensure you pack for all seasons. Remember to check with your airline how much weight and how many items you are allowed to take.
- ❑ **Appliances** Think of what you may need e.g. mobile phone, chargers, camera, laptop, head phones, power adapter etc.
- ❑ **Medicine** If you need regular medicine for a medical condition (like diabetes, asthma or eczema), pack sufficient quantities with your medical history and a doctor's letter.
- ❑ **Money** Bring about AUD\$400 cash for unexpected or immediate expenses – it is not recommended that you have too much cash on you due to safety.
- ❑ **Banking** – You can set up bank accounts from overseas – check out <https://www.thecurrencyshop.com.au/guides/how-to-open-a-bank-account-in-australia-from-overseas> for information
- ❑ **Customs and Quarantine** -the Australian Customs and Border Protection Service has strict rules about what you can bring into Australia. There is an online guide to Australian Customs requirements at <https://www.homeaffairs.gov.au/trav/ente>
- ❑ **Food** - Australia has very strict rules about bringing food and other items like traditional medicine, plants and organic material into the country. You must declare what you do bring into Australia on arrival by completing a form, declaring all items – it is not worth the risk as there are very big fines - check: <https://www.australia.gov.au/information-and-services/passports-and-travel/customs-and-quarantine> . Most international foods are available here, and on orientation you will get advise where you can find variety of grocery shops for your weekly food shopping.
- ❑ **Passport:** Check your passport's expiry date. Make sure it's valid for the length of your student visa.
- ❑ **Documents:** We recommend that you bring an eCopy and hard copy of the following documents with you: Letter of Offer, eCoE, passport, visa, police check, work references, driver's license, recent bank statement, National ID, certified birth certificate, Certified copies of transcripts. It is also recommended that you leave copies with your family, in case you lose the originals
- ❑ **Booking flights** - Wait until your student visa has been issued before booking your flights to Perth International Airport. It is recommended that you arrive approx. 2 weeks prior to course start to ensure you have time to settle into Perth and you can attend orientation (the date is in your letter of offer). Inform your Education Agent of your itinerary just in case.
- ❑ **Insurance** You should take out travel insurance in case you need medical care on your way to Australia.
- ❑ **OSHC** All student visa holders must have Overseas Student Health Cover (OSHC) for the full duration of their studies which provides medical and hospital insurance in Australia. AIWT generally arranges this for you when you book your course however you must not arrive in Australia before your health insurance starts. If you are in Australia and do not have adequate health insurance, you are in breach of visa condition 8501. You will need OSHC coverage for the duration of your visa. To find out the length of coverage you will require, check out student visa grant period <https://www.homeaffairs.gov.au/trav/stud/more/health-insurance-for-students> .

- ❑ **Mobile phones** - Ask your mobile phone carrier if your phone will work in Australia. You might need a new SIM or handset to use while you're here. There are many cheap pre-paid mobile phone options in Australia particularly if you own your own phone.
- ❑ **Accommodation** – We recommend that you research what type of accommodation you would like online – you can stay with a home stay arrangement, rent a room or an apartment depending on your budget. If you need any help, contact our admissions team for help.

ARRIVING IN PERTH

Airport Transfer Service: If you feel unsure about how to get to your accommodation on arrival, AIWT can pre-book an airport pick up service for you. The fee is \$50.00. However, Perth is a very easy city to get around and on arrival you can either take a shuttle bus into Perth city or take a TAXI.

Study Perth Arrival Desk: During peak arrival times, (Jan/Feb & July/Aug) Perth airport has a designated arrival desk for international students to say hello. Follow the footsteps on the floor after you collect your luggage.

Public Transport: The public transport system in Perth is called TransPerth. You can find interactive information on www.transperth.wa.gov.au/Journey-Planner/Mobile-Services

Driving in Australia: Students wishing to drive while in Australia must contact the Australian Licensing Centre to find out more about their eligibility. You can phone 13 11 56 to locate the nearest licensing centre to you, or go online to the Department of Transport's website for more information www.transport.wa.gov.au .

ORIENTATION

AIWT Orientation is an important day and a great start on your learning journey with AIWT. You will meet the student services team, your trainers and other fellow students. You will be given your time table and learn about your course of study. We also complete all administrative paperwork and induction processes to ensure you have all the information you need for a great start. Orientation is compulsory for International Students.

STUDENT CONTACT DETAILS

Please maintain and keep your contact details updated with Student Services. Students must inform AIWT within 7 days if they have changed their residential address or contact details.

LANGUAGE, LITERACY AND NUMERACY (LLN)

AIWT recognises the importance of basic skills in English language, literacy, and numeracy (LLN) for students in being able to participate actively and effectively in a course of study. The purpose of the LLN test is to improve basic skills and breaking down barriers for students in communicating with their trainers, peers and in the workplace.

All students enrolled at AIWT will undergo a LLN test on orientation. Students studying at the school of language will complete a specific enrolment test as their IELTS score is at least 6.0 and there are very little numeracy skills required for that course. LLN testing allows trainers/ assessors to assess if the student has sufficient language literacy and numeracy skills required to effectively participate and progress in the course they are enrolled in. If a student needs extra support, AIWT can adjust the training plan for the student and implement additional strategies like one on one coaching, extra reading or adjusting the use of computer based learning to face to face delivery.

STUDENT VISA CONDITIONS

As an international student on a student visa, you must familiarise yourself with the conditions of your visa. Information about visa conditions for student visa holders is available on the Department of Immigration and Border Protection's website at www.border.gov.au/Trav/Stud/More/Visa-conditions/visa-conditionsstudents or call DHA on 131 881 on Monday – Friday from 8.30am to 4pm inside Australia (except public holidays).

WORKING IN AUSTRALIA

Australian workplace laws provide basic protection and entitlements for all workers in Australia, including workers from overseas. International students have the same entitlements to minimum wages and conditions as Australian workers, as well as superannuation and workers' compensation under Australian workplace laws. The minimum wages and conditions to which an employee is entitled are set out in awards (also known as modern awards). Awards apply to employees depending on the industry they work in or the job that they do. Awards don't apply when a business has an enterprise agreement or other registered agreement that covers the employee's working conditions. For more information on awards and agreements, visit www.fairwork.gov.au/awards-and-agreements . Australian laws also protect you from being discriminated against at work, for example because of your race, when you are applying for a job, about to begin a job, or any time during your employment.

For more information about discrimination at work, visit <https://www.fairwork.gov.au/employeeentitlements/protections-at-work/protection-from-discrimination-at-work> .

The Fair Work Ombudsman (FWO) helps employers and employees to understand their rights and responsibilities at work. The FWO can also investigate suspected breaches of workplace laws. To find out what you should be paid and learn more about your minimum workplace entitlements you can visit www.fairwork.gov.au . You can also call 13 13 94 from 8am to 5.30pm Monday to Friday inside Australia (except public holidays). Getting help to resolve a workplace issue will not automatically affect your student visa.

You are limited to **40 hours of work per fortnight** when your course is in session, and unlimited hours in out of session periods. This is to ensure you are mainly focused on your studies. Work conditions for student visa holders can be found on the Department of Immigration and Border Protection website at: www.border.gov.au/Trav/Stud/More/Work-conditions-for-Student-visa-holders

SAFE TRAVEL TIPS ON PERTH PUBLIC TRANSPORT SERVICES

Even though Perth is generally a safe place to go around, it is good to be aware on how to travel safe on Perth public transport services.

Around Perth, Transperth has thousands of closed-circuit television cameras. They're in trains, buses, ferries, every train station and other places including car parks. Through them, staff at the central monitoring room can see what's happening across the entire network, every minute of every day.

If you need assistance or feel threatened there are several ways to get help if you need it.

- If there are Transit Officers and other Transperth staff nearby, ask them or **call 9220 9999**.
- On a bus, speak to the bus driver. On a train, push the emergency button to speak to the driver.
- On a train station, push the emergency button on an information kiosk to speak to our Central Monitoring Room.

Here are some tips:

- Never hesitate to ask Transperth for assistance.
- Always be aware of your surroundings and what is happening near you.
- Keep the volume low on your audio device.
- Plan your journey before you start to minimise the amount of time you wait at stations or stops.
- If possible, have someone meet you, or tell friends or family when you expect to be home.
- Avoid waiting or walking in dark areas.
- Avoid short cuts.
- Use only the proper access routes when you enter or exit train stations or interchanges.
- Stay close to Transperth staff if they are present.
- On train stations, stay in well-lit areas in view of security cameras.
- On train stations, stand back from the yellow line on the edge of the platform. When trains go past they create a powerful draft that can unbalance you.
- Always stay off train tracks. Walking across them is dangerous and illegal, unless it is an open pedestrian crossing and it is safe to do so.
- Be aware of the location of emergency buttons.
- On buses, sit at the front near the driver.

See Something – Say something

Transperth's system is one of the safest in the world, but you have an important role in helping us to keep it safe. If you see an unattended bag or package, witness any suspicious activity or spot something out of place, we'd like to know. Speak to any Transperth staff member or call 9220 9999.

STARTING YOUR VOCATIONAL EDUCATION AND TRAINING (VET) COURSE AT AIWT

AIWT provides quality VET programs across each discipline. All our schools have a designated Course Coordinator to ensure industry specific leadership for all our individual VET programs. All individual trainers/ assessors work closely with the Course Coordinator ensuring that all VET programs are up to date. At orientation and during the term you can approach the Course Coordinator to explore industry work placement options or to find out more about career opportunities and what employers are looking for in candidates.

All our VET programs are delivered in 4 study periods x 10-week blocks per annum. At times there are minor variations to those study periods due to the public holidays, especially at the beginning of a calendar year. Students are informed well in advance, however double check with your trainer if you are thinking of booking a holiday during your study break.

To ensure students gain the maximum benefit from each session, all sessions are structured covering topics of learning and assessment activities. AIWT uses MOODLE as a learning platform, supporting students with a one stop options to find their learning resources, links to research topics, announcements, assessment workbooks and due dates and everything else what's happening at AIWT.

WELCOME LETTER

All students will receive a welcome email with their individual login details for MOODLE. By logging into MOODLE students can see their class schedule, who their trainer/assessor will be and specific announcements relating to the individual.

If you have not received a welcome email on orientation day, please contact AIWT student services and ask for assistance.

UNIQUE STUDENT IDENTIFIER (USI)

The USI is a reference number made up of ten numbers and letters that creates a secure online record of your recognised training and qualifications gained in Australia. For detailed information or to create an USI visit www.usi.gov.au

All International student who will be studying in Australia will require a USI. Once you have arrived in Australia, your visa will be activated and you will be able to apply for a USI. You are required to bring your USI to orientation. If you have trouble creating your USI contact AIWT student services and ask for support.

CLASS ATTENDANCE

International students are required to fulfil their student visa requirement of **20 hours of full time study**. To ensure classes run smoothly and without interruption, class hours of attendance must be respected, and punctual arrival is compulsory. Late comers will be “locked out” and will be marked “not in attendance” for the missed sessions. The same applies for students leaving early. Students who regularly miss classes are followed up with a warning letter and if falling below 80% attendance in a study period and/or are not progressing in their course, will be deemed “at risk” and an intervention strategy will be implemented.

TRAINING DELIVERY

Training sessions include classroom room delivery with presentations or lectures, practical activities, workshops, group work or research. Review is undertaking on a regular basis ensuring that learners are progressing towards the expected learning outcomes.

If you are feeling overwhelmed and struggling with your studies, approach your trainer at the earliest opportunity and discuss your situation. At times this could relate to the comprehension of the English language, a lack of Literacy and Numeracy skills (LLN) which have not been identified, cultural adjustments, the topic of the course, personal or health issues. AIWT is here to support you through challenges you may face during your time of study – it is however imperative that you talk to your trainer or student’s services and ask for help.

ASSESSMENTS

Assessments are an important aspect of learning. Completing an assignment, project, presentation or knowledge-based test is an opportunity to demonstrate knowledge and skills. It also measures satisfactory progress towards a Unit of Competency (UoC).

Feedback on assessments provides learners with a measurement on how the learning is progressing in relation to the learning outcomes required against each UoC within a course.

To ensure that all students have equal opportunities to demonstrate their knowledge and skills and to receive accurate and meaningful feedback on their work, AIWT has devised an Assessment Overview and Guide, which sets out what is required and expected of both students and trainers/assessors.

AIWT trainers/ assessors explain on the beginning of each term what type of assessments are to be completed and what the due date is for each of the assessment. All assessments have clear instructions to the candidate. It is the responsibility of the learner to read and understand the course profile and to attend all classes. Not attending classes may leave a gap in knowledge and skills. It is the responsibility of the learner to catch up on this gap.

It is an AIWT requirement that assessments are based on the performance criteria set out in the UoC. Feedback must relate directly to the criteria and trainers/assessors must provide feedback to individual candidates in a timely manner (indicated on each assessment). Assessments can be formative, as well as summative.

Part of the learning process is the management of both information and time. Developing the capacity to undertake the necessary research, to focus on the question at hand, and to complete and submit the required work on time is essential.

The completion and submission of assessments are the learner's responsibility. Always keep a copy of assessments submitted and retain marked assessments when they are returned.

AIWT emphasises the following:

- It is the learner's responsibility to submit assessments on time – check the course timetable and MOODLE for due date and time.
- Communicate in writing – and keep copies of all paperwork e.g assessment coversheets, Application for Re-assessment form, proof of posting your assessment via MOODLE and/or email, etc.
- If you cannot attend or submit your assessment due to illness or injury, ensure you get a medical certificate for evidence and inform your trainer/ assessor via email as soon as you can

ASSESSMENT DUE DATES

Assessments in each course are designed to help learners achieve a specific learning outcome, demonstrating their competence over a period of time in various settings. Therefore, it is required that all assessments items are submitted on time. To obtain a satisfactory outcome for each assessment learners must submit all items of assessment in a UoC. It is highly recommended that you retain copies of all submitted work during a course of study. If you are struggling to complete an assignment, contact your trainer to discuss this at the earliest opportunity.

ACADEMIC INTERGRITY & PLAGARISM

In Australia we take issues of academic integrity very seriously. Plagiarisms is a serious academic misconduct. AIWT has many ways of detecting cheating or plagiarism in exams and assessments. Any kind of academic misconduct will result in serious action being taken against you. Your enrolment or student visa could be affected or cancelled altogether. If you are struggling with your studies, it's best to ask your trainer/assessor what support services we can offer to you. Students are made aware of forms of plagiarism on orientation day and at the beginning of every course and/or study period. If you are unsure or you need support, please ask your trainer/assessor.

What forms does plagiarism take?

- ✓ Quoting word for word from another's work without clear acknowledgment.
- ✓ Paraphrasing the work of others by altering a few words, changing their order or closely following their structure without acknowledgement.
- ✓ Cutting and pasting directly from the Internet.
- ✓ Failing to acknowledge the sources you use to produce your work.
- ✓ Inaccurate referencing/citation of another's work.
- ✓ Unauthorised collaborating and colluding with other students.
- ✓ Using a professional agency in the production of your work.

HOW TO APPLY FOR A RE-ASSESSMENT

There are 3 forms of Re-Assessment:

- Assessment RE-Sit
- Assessment RE-Submission
- Assessment Extension

Students who have genuine reasons for a RE-Assessment just need to complete the RE-Assessment form. Students who do not have a genuine reason may need to pay \$ 50.00 for each RE-Assessment.

1. If you have missed an assessment, you have to apply for an Assessment Re-sit
2. If you have been deemed not satisfactory you have to apply for an Assessment Re-submission (max up to 2 Re-submissions).
3. If you need an Assessment due date extension, you have to apply for extension prior to the original due date
4. Student who cannot evidence satisfactory attendance and are unable to evidence compassionate or compelling grounds **must pay \$ 50.00 for each** application.
5. Students must complete the Application form and submit to their trainer/ assessor including
 - a. Get the form available from your trainer/ assessor or AIWT reception
 - b. Pay the fee *if applicable* for Assessment Re- Sit or Re-submission fee
 - c. Attach the relevant evidence if compassionate or compelling circumstances apply (for example, a medical certificate) must accompany the application.
6. The extension will be considered to have been granted only when your trainer has signed the form and returned a signed copy to you. This signed extension authorisation/approval must be submitted with the assessment item it relates to. The original will be kept by AIWT.
7. The form will contain the new revised due date and time for the submission of the assessment. This is your new deadline. You must submit your assessment by this new due date and time; otherwise you will receive a grade **Not Yet Competent**. In this case, you are not given a period of 24 hours' grace after the deadline and you need to re-enrol and pay for this Unit of Competency again.

Extensions will normally not be granted for a period of more than one week. In exceptional circumstances a two-week extension may be granted as the absolute maximum. Never assume that an extension has been granted. Extensions are valid only when you have either received notice in writing or a signed copy of the form.

Course Progress

AIWT is committed to monitoring the course progress of overseas students. Where a student may fall behind their course work and the student cannot progress during a study period due to outstanding or not yet satisfactory assessments, the student may be deemed academically "at risk." AIWT issues early warning letters and trainers/assessors will provide the required support to assist the student to catch up on their course work.

These meetings are recorded as Student Support meetings. If a student falls behind due to continued absence in a course but is unable to evidence the absenteeism for compassionate and compelling circumstances, the student will be asked to attend an Intervention Strategy meeting with the trainer/ assessor, Course Coordinator and Student Services. A strategy will be implemented, providing the student with a strategy to catch up on course and assessment work. Issues that may be discussed are:

- Counseling concerning the appropriateness and suitability of courses undertaken by the student
- Guidance and reference to the units of competency where Not Yet Competent have been recorded
- Study Plan
- Reduction in course load
- Additional English language support
- Knowledge and practical skills support from their trainer/assessor
- Invitation for inclusion in study groups or tutoring
- assigning a trainer assessor for ongoing training assistance
- Application process for Re-assessments
- Information and consequences to report the student to the Department of Home Affairs (Immigration).

After the implementation of an intervention strategy, if a student is still not progressing and is unable to attend classes and complete the required assessments, a Notice of Intention to Report will be issued. The student has 20 days to appeal the decision before being cancelled and reported to the Department of Home Affairs.

AIWT trainers/ assessors, the Course Coordinator and Student Services support every student through regular monitoring of attendance and continuous course progression to ensure successful completion of UoC as per the training plan within the CoE time frame. However, where a student's record indicates continuous non-progression for two consecutive study periods, AIWT management reserves the right to cancel the enrolment and notify through PRISMS the Department of Home Affairs (Immigration). Students may appeal the decision following the complaint and appeal policy and procedure.

PAYMENT OF FEES

AIWT has a designated accounts department responsible for the collection of fees. Payment dates for all fees are listed in the Letter of Offer of your enrolment into AIWT. Accounts also emails invoices on a regular basis. You can expect one invoice per term. This is emailed to you approx. 2 weeks prior the payment is due which is approx. 4 weeks prior to the new term start.

Payment dates must be complied with at all times. A late fee of \$100 will be charged if fees are not paid on the due date. Students can opt to be on a regular payment to avoid falling behind, however it is the responsibility of the student to ensure that sufficient funds are available in their accounts on the nominated due dates.

Where a student continues to not meet their payment obligations, a Notice of Intention to Cancel will be issued and the student's enrolment may be cancelled by AIWT Management. All payments must be a study period in advance. Students experiencing genuine financial hardship should make an appointment with the Student Services Officer prior to the fees being overdue. Refer to the International Fees, Charges and Refund Policy on our website or MOODLE for details.

COMPLAINTS & APPEALS PROCEDURE

Internal Process

AIWT has a complaints and appeal procedure to ensure all complaints are dealt with in a confidential, constructive and timely manner.

A student that has a concern or complaint should first approach his/her trainer/assessor or the student administrative support team and explain the issue of concern. If a student's complaint is not satisfactorily resolved, a student can lodge a formal written complaint. If the complaint cannot be resolved, every student has the right to appeal the decision made by AIWT, following the external appeal process.

Please obtain a copy of the complaint and appeals policy and procedure on the AIWT website or on MOODLE for more detail.

External Appeal

Students who are not satisfied with the outcomes of a complaint or the result of an internal appeal that was submitted in writing to the AIWT Management may submit an external appeal to the Overseas Students Ombudsman.

This free and independent service is available for international students who want to lodge an external appeal about a decision made by their training provider.

Internal complaints or appeals must have been submitted in writing to AIWT and the internal appeal must have been unsuccessful. Generally, appeals include topics such as

- course admission refusals
- fees and refunds
- course or provider transfers
- course progress or attendance
- cancellation of enrolment
- accommodation or work arranged by a provider
- Incorrect advice given by an education agent.

The Overseas Students Ombudsman will not investigate complaints about:

- Public providers (which are already covered by the State and Territory Ombudsman)
- Domestic Australian students
- Students from overseas who are not on a student visa (e.g. students studying on a visitor, working holiday or temporary business visa).

OVERSEAS OMBUDSMAN

Registered education providers must have an internal complaints, handling and appeals process for overseas students under Standard 8 of the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007 (the National Code 2007). Education providers must also advise students of their right to access an external complaint and appeals process if they are not satisfied with the internal complaint process or outcome. The Ombudsman provides an external complaint and appeals process for overseas students of Private Education Providers. To find out more information about the role of the Ombudsman go to <http://www.ombudsman.gov.au/about/overseas-students/for-private-education-providers>

COURSE DEFERMENT OR SUSPENSION

Deferment of a course is generally prior to course commencement whilst suspension of a course is during the course of study. Deferment or suspension may be granted where compassionate and compelling circumstances are experienced by the enrolled student and adequate evidence exists to support these circumstances. Contact Student Services and discuss your situation with them. All applicants must complete the deferment, suspension and cancellation form which is available from Student Services.

AIWT management and staff are committed to assessing all applications for course deferrals and suspension of study in a fair and timely manner. It is however imperative that students inform themselves and communicate with AIWT in a situation requiring a deferment and/or suspension of study.

Deferments, suspensions or cancellations of enrolments will affect a student visa. It is highly recommended that students approach the Department of Home Affairs on www.homeaffairs.gov.au for further advice.

COURSE CANCELLATION

Cancellation by the student: If a student wishes to cancel their course with AIWT, the student must complete a cancellation form. Please contact Student Services and discuss your request in person. Ensure you understand your obligations by reading the cancellation policy. If a student on a student visa cancels their course, they have 28 days to leave Australia if they don't transfer to another provider. Students must be aware that a cancellation from their course of study does not automatically mean that a student is eligible for a Letter of Release. Also students may be liable for the full course fee if the course has already commenced.

Cancellation by provider: At times and in very serious situations, AIWT management has to issue a NOITC for non-payment of fees or a NOITR for no course progression or a NOITR for a very serious misconduct. A student may face subsequent cancellation of enrolment unless the issues can be resolved by the student within the 20 working days, however if a student continues to breach their conditions, a cancellation of enrolment is certain. Students have the right to access the internal appeals process within 20 working days and lodge an internal appeal in writing.

TRANSFER BETWEEN PROVIDERS

Students applying to AIWT: AIWT ensures that it only accepts the enrolment of international students who are eligible for release or have completed at least six (6) months of their principal course of study. In accordance with National Code 2018, a student must seek a Letter of Release and gain approval before transferring to AIWT. AIWT cannot accept the student until the provider has confirmed on PRISMS that the application for release has been reported by the provider.

Students wanting to transfer to another provider: Generally, students wishing to transfer to another provider can apply for a Letter of Release if they have completed 6-month of their principal course of study. If you have packaged a few courses in your enrolment with AIWT, this is your highest course of study. Please refer to the "Transfer Between Registered Providers Policy" and contact student services to arrange an appointment. It is important that students understand their obligation and responsibility and talk to student services at AIWT direct and not assume that their education agent will manage their affairs.

STUDENT SUPPORT SERVICES

Our friendly student services team is here to help you throughout your study. Key functions of the student services team are:

Welcome and Orientation

- Welcome you to AIWT via a welcome letter
- Meet you at AIWT orientation
- Issue you a AIWT student card
- Assist with TransPerth requests

Letters, enrolment variations and other support

- Assist with holiday/leave requests
- Completion letters
- Forms or applications
- Assist with enrolment variations
- Support you with a conflict, complaint or dispute

Issuing Qualifications

- Issue qualification on completion of your studies (allow up to 30 days)
- AIWT will not release the qualification if there are outstanding fees against this qualification

CAMPUS EVENTS

At AIWT, we celebrate multicultural events throughout the year. With students from all over the globe, we love to celebrate the diversity of our students whilst sharing our Australian heritage. Events include days like Chinese New Year, Harmony Day, Africa Day, Cancer Relay and Melbourne Cup Day.

ENRICHMENT COURSES

AIWT offers a **free** Enrichment Program to support our students in gaining additional skills and knowledge to further employability, confidence and skills which are complementary to their enrolled course. The program is advertised well in advance and is free of charge to our students. Courses include topics such as:

- CV Writing Skills
- Interview Skills
- Computer Skills Basic – Intermediate (Word, Power Pro, Excel)
- Computer Skills for advanced users
- Social Media Skills and how to professionally profile yourself (FB, Twitter, LinkedIn, Instagram)

HOLIDAY LEAVE REQUESTS

Students enrolled at AIWT are advised that holidays must be arranged during AIWT term breaks. Consequently, AIWT reserves the right to decline any holiday and/or leave requests unless a student can evidence compassionate and compelling circumstances. Short time leave is 2 weeks or less. To seek approval, talk to your trainer and contact Student Services on studentservices@aiwt.edu.au . If leave of more than 2 weeks is required, depending on the circumstances this may be considered a suspension of study. AIWT will confirm or decline any request with a letter. Going without a leave request can jeopardize your enrolment at AIWT and can cause issues with immigration at the airport departure and/or arrival.

EMERGENCY EVACUATION PROCEDURE

AIWT has emergency procedures throughout our campuses. Students are made aware of emergency procedures during orientation and at the start of a course. As part of the emergency management plan, all students must sign in when entering an AIWT campus. This allows AIWT staff in case of an emergency evacuation to count how many people are in the building and ensure that all students and staff have been evacuated safely and are accounted for.

CRITICAL INCIDENT RESPONSE POLICY

A critical incident is defined by the National Code as 'a traumatic event, or the threat of such (within or outside Australia), which causes extreme stress, fear or injury'. A critical incident can include but are not limited to:

- A fatality, being near a fatality or an incident that is likely to affect a number of staff member and/or a student;
- Serious traffic accidents;
- Murder or suicide involving students/staff and their family members or close friends (or being a witness to);
- Physical or sexual assault;
- Injury or death of a colleague, carer or intimate friend;
- Fire, explosion, bomb threat;
- Chemical, radiation or bio-hazard spillage;
- Hold-up or attempted robbery;
- Threats of violence to staff/students;
- Major theft or vandalism;
- Threat of HIV infection;
- Storms/natural disasters;
- Acute illness (physical or mental); and/or
- Security incident.

In the event of a critical incident, a student must inform AIWT as soon as practically possible by contacting studentservices@aiwt.edu.au or ring the **AIWT emergency number 0452 477525**. AIWT offers free support and counselling services to all our students and the AIWT Student Services team will liaise and arrange support as soon as possible. Depending on the severity of the critical incident, AIWT may have to inform family members or next of kin of the incident. If applicable, AIWT will investigate or support the investigation of the incident as outlined in the critical incident policy and procedure.

FEES, CHARGES AND REFUNDS

AIWT ensures that all international students fees are collected in accordance with the requirements of the ESOS Framework and the Standards for RTOS 2015 and that refunds are process as outlined in the Fees, Charges and Refund policy. The policy ensures consistency, fairness and transparency for international students enrolled into an AIWT course of study and explains what type of fees and charges there are and at what point of time a refund may applies. To apply for a refund of pre-paid course fees, a "Request for Refund Form" must be completed. Contact accounts via email accounts@aiwt.edu.au and verify if you are entitled for a refund. Alternatively, download the "Request for Refund Form", complete and email to the accounts department. For current students, check the current refund policy and your Letter of Offer for details.
